“Phenomenal, Charismatic, Experienced, Humorous, Inspiring and Uplifting are just a few words to describe this well rounded talented empowering speaker. She is organized, with well-defined points clearly connecting and logical for those in the audience”

NIQUISHA WASHINGTON
Strategic Operations Manager

Helping business leaders break through to thriving careers!

What is a common thread in every business leader's thriving career? Self-awareness. It is the launching pad and prevailing element for personal growth, maximum impact, and increased leadership effectiveness.

Lillian's interactive presentation – *Ignite Your Career Breakthrough* – will help you discover how to determine your power sources and blindsides. Using this intelligence, you can create strategic levers for greater influence and impact – zooming in on personal leadership capabilities.

BIO

Known as the *Leadership and Career Strategist*, Lillian is a certified coach through the Coach Training Alliance, an International Coach Federation (ICF) accredited program. She is a senior certified human resources member of the Society of Human Resource Management and the HR Certification Institute, and certified in Hogan Assessment, Birkman Method, and Prosci change management.
